ALL players for the 2018-2019 season will need to order a complete uniform kit. The uniform has changed from last year. You do need to order if you are a returning player or a new player.

MANDATORY UNIFORM PACKAGE:

The cost of the SA City SC required uniform package (excluding shipping), is approximately \$100. The SA City SC Uniform Package must be purchased through <http://www.soccer.com/>.

The Uniform Package: includes two NIKE Dri Fit game jerseys Red and White, one pair of Blue NIKE game shorts, one pair of red NIKE game & practice socks; and one grey NIKE practice jersey.

Uniform Structure:

Practice days – grey top, blue short, red socks

Game days – either white or red top, blue short, red socks

Numbering System:

Uniform numbers (#) will be assigned by the club. Number range is from 1 – 99 and starts over as we try not to repeat numbers. We try to promote the player not focusing on the number, rather the team they play for. Numbers will be changed from Junior Academy to Select Programs.

To order your uniform:

Upon payment, verification of your processed commitment fee, and your paperwork turned in, you will receive an email with a link to our SA City SC Uniform page (www.soccer.com) in early June. Follow the link to your player's individual uniform order form. You will need to choose each required uniform piece (listed above), as well as ordering any optional uniform pieces (refer to www.soccer.com). Once you have all required uniform pieces, please check out and complete your order using your credit card # and including your mailing address. All uniform pieces will be shipped directly to you in about two (2) weeks. Questions about any uniform issue – **1.800.950.1994**

If you misplace or lose your uniform order link please call or email bborgia@sacitysc.com and we will generate another link from the www.soccer.com website. **DO NOT** use another player's uniform order link. If you have questions about receiving the link itself, please call **210.880.5772**.
