## 2018-2019 U13 & Up Player Commitment Agreement

Welcome to the SA City SC (Formerly known as Lonestar SC SA) '06 - '00 Player Placement Event (PPE). We are excited you made the choice to come and participate in our PPE tryouts for new players) for the 2018-2019 soccer seasons.

With the guidance of our Director of Coaching, Nick Hallam, we feel our staff is the strongest in San Antonio. SA City SC brings a quality of training and a focus on player development to your player that is second to none! After tryouts we will hold team meetings for players placed on teams. You will complete any outstanding registration and commitments needs, meet your player's coach, and have the opportunity to ask questions.

### **Important Information:**

I/We understand that this commitment is from Fall 2018 through Spring 2019. Application is hereby made for registration of a player as a member of SA City SC for the 2018-2019 soccer year. This is to include any scrimmages, games, tournaments, and/or showcases the team participates in throughout the entire season.

I/We understand that the selection and team placement of players shall be at the sole and absolute discretion of the SA City SC coaching staff. The continued participation of a player is contingent upon the player and family abiding by the rules, agreements, and policies (including Parent and Player guidelines and responsibilities found in the Player & Parent Handbook online, the Alamo Area Youth Soccer Association (AAYSA), Western District Division One Association (WDDOA), the South Texas Youth Soccer Association (STYSA), the United States Soccer Federation (USSF), Super Y League, the Elite Clubs National League (ECNL), and US Club Soccer.

Any player rostered to a team is considered by the club a SA City SC player throughout the year. If the coaching staff feels movement between teams is necessary to benefit the overall development of the player, team, and club, such movement between teams can be initiated by the coaching staff anytime the rosters are open and league rules permit player movement. Players have the right to refuse to move, though doing so and going against the qualified guidance of the SA City SC coaching staff is not encouraged.

### **Player/Parent Handbook:**

The Player/Parent Handbook is found online on our website. It contains all information regarding SA City SC policies and procedures. All players and their families are expected to abide by and support the policies and procedures included therein. For additional questions please follow the communication channels identified in the handbook and contact your team coach, program director, or the administrative office.

\*Below are the preseason dates. They are subject to change dependent upon coach's schedule as most coaches coach more than one team.\*

Although we strive to provide quality playing time for all players, there are NO guarantees of playing time in any single game for Premier, SCL, SRPL, Super Y League, or Division I players. Division I, Super II and Division II coaches will make every effort to play each player at least 50% of each game, except when players are injured, ill, ineligible because of an overdue fee balance, or for attendance or disciplinary reasons.

Tournament fees are not included in the annual registration fees as they vary from one team to another. These fees are collected by the team managers as they register for them throughout the year. Amount of tournament (and possible trainer travel fee if an out of town event) is calculated and divided by the number of players on the team. Players are required, as a player on the roster, to pay for their portion of tournament and any travel fees for trainers the team is attending. Payment is due for a tournament regardless of participation on these as they are required tournaments. Tournaments are determined by the director of the program.

Fees remain the same regardless of the number of days in the season. During the season if the player’s division status changes, *fees will be adjusted accordingly*. Fees will not be refunded or forgiven due to player absences, withdrawals, or early release from a team. Fees will not be refunded if injured – however, if communication is made to our administration and it is determined an injury which will enable a player for several months, adjusted amount may be used at a return date after injury. If billing has started and a team should move within divisions or associations, prices will be adjusted to the remainder of the payments for the adjusted amount.
